Public Works Report
October 2020
Melissa May

Final concrete repairs on Maynard are complete.

For unspecified reasons, the petition for the 5G tower on Southview, east of Madison, has been withdrawn. We will continue to keep an eye out for future requests and public hearings.

Over the next couple of months, I will begin the process of determining our next big road project and continue to follow-up with DPW and Citizens to get the drainage issues along Shelby between Banta and Tulip addressed.

10.29.2020 Report to Town Council - Susan Fleck - Special Projects

- Added two additional people to the Special Projects Kitchen Cabinet: Laurie Layton and Betsy Robbins. They join John and Jessica Goddard, Tim and Lorna Thomas, Scott Heller, and Rachel Brunet. They have added Pumpkin Decorating at the shelter to next year's list of activities.
- Working to up our social media game by posting more and commenting on the posts of neighbors, primarily on Instagram. Site is @townofhomecroft
- Social Media posts regarding Halloween have generated many comments, some not so good. The idea to put tables with candy at the end of drives and to have pattern for foot traffic going east and west was proposed by several Homecroft teachers. As they are good, active, and well-meaning Homecroft residents we went with that after consultation with the chief.
- Kaleb Robinson asked about the possibility of having a small Homecroft food bank near the holidays to help our community. His idea came about after reading divisive post on Nextdoor and Facebook. I have invited him to attend tonight's meeting to talk about what might be possible.
